Food Rescue Recognition Application

Purpose: To recognize Food Establishments that prevent pollution through best business practices and reduce institutional food waste by donating food resources to: Priority 1) Spokane County Hunger Relief Organizations; Priority 2) Farm Use; or Priority 3) Composting.

Which of these priorities do you currently engage in? Check all that apply.

- Priority 1: Donate edible food to hunger relief organizations.
- Priority 2: Donate food for farm use.
- Priority 3: Compost food.

<input type="checkbox"/>	<input type="checkbox"/>	We partner with the hunger relief organization(s) checked below.

<input type="checkbox"/>	Feed Spokane	509-216-7364	feedspokane.org
<input type="checkbox"/>	Northwest Harvest	509-891-7012	northwestharvest.org
<input type="checkbox"/>	2 nd Harvest	509-534-6678	2-harvest.org
<input type="checkbox"/>	Salvation Army	509-325-6810	spokane.salvationarmy.org
<input type="checkbox"/>	Union Gospel Mission	509-535-8510	uniongospelmission.org
<input type="checkbox"/>	Women and Children’s Free Restaurant	509-324-1995	wctrspokane.org
<input type="checkbox"/>	Meals on Wheels	509-456-6597	mowspokane.org
<input type="checkbox"/>	Other:		

*See folder or EnviroCertified.org for additional Hunger Relief Organizations.

3. We safely package and maintain food at proper temperatures at all times.

NA	Yes	
<input type="checkbox"/>	<input type="checkbox"/>	We confirm safe temperatures and cooling procedures of all hot food.
<input type="checkbox"/>	<input type="checkbox"/>	We keep food at proper temperatures (see table on Food Rescue flier).
<input type="checkbox"/>	<input type="checkbox"/>	We package donations in clean, food-grade containers.
<input type="checkbox"/>	<input type="checkbox"/>	We label containers with the common name of the food.
<input type="checkbox"/>	<input type="checkbox"/>	We store food in a designated area of a refrigerator or freezer while awaiting pick-up or delivery.

4. We transport donated food safely.

NA	Yes	
<input type="checkbox"/>	<input type="checkbox"/>	We transport food in a clean vehicle to prevent contamination.
<input type="checkbox"/>	<input type="checkbox"/>	We keep food at proper temperatures and use refrigerated transport when available.
<input type="checkbox"/>	<input type="checkbox"/>	Our food donations are picked up by the hunger relief organization.

5. We track donated food items.

	NA	Yes	
			We use a donation delivery form or provide information to the hunger relief agency for their records: food source, quantity, type of foods (such as chicken soup, breads, etc.), and date.
			We have shown donation delivery forms to an EnviroCertified representative.

Priority 2: Donate Food for Farm Use

	NA	Yes	
			We prevent food (edible, inedible, and scraps) from entering the waste stream by donating food resources for farm use.
Name of Farm(s)			

Priority 3: Compost Food

	NA	Yes	
			We prevent food from entering the waste stream by delivering or sending food resources to a local compost facility, such as Barr-Tech, or having the unused food picked up for composting.

Single-Use Serviceware (check all that apply)

	NA	Yes	
			We do not provide single-use serviceware.
			We offer single-use serviceware.
			We provide single-use serviceware upon request.
			We provide a station for customers to select single-use serviceware.
			We have posted fliers to inform our customers about single-use serviceware.

Create at least one goal.

The following goal will help us rescue more edible food for Priority 1: Hunger Relief

The following goal will help us rescue more food for Priority 2: Farm Use

The following goal will help us rescue more food for Priority 3: Composting

What percentage of your food is locally sourced? (i.e., WA or ID based or from a 100-mile radius).

_____ %
